The 2nd phase of SCC 2020 is planned to be held in the September 21-25, 2020 week. It would be a team-based mixed educational and competition event organized as part of large cybersecurity event. Each participating school/faculty, institution or group of institutions will be invited to prepare and train one or two teams.

We plan to organize the Phase II event in Belgrade. There will be valuable prizes for the best performing teams and individuals.

The organizers of SCC 2020 would like to thank the participants, the Avatao team and the professors and experts participating in this event. We hope to see you all next year in the Serbian Cybersecurity Challenge 2021 (SCC 2021)!
